

## Instructions for Medical Exams for Immigrant Visa Applicants Applying at U.S. Embassy Tbilisi

*A medical examination must be conducted with a panel physician before the immigrant visa interview. The following is a list of the facilities in Tbilisi and Baku with panel physicians authorized to conduct such examinations. When you go to the clinic, please be sure to bring the following items: 3 color photographs of your face (3X4 cm in size), travel passport and an extract from your medical history with the list of vaccinations you have received. The document should include a doctor's signature and stamp.*

*The results of the examination will be forwarded directly by the panel physician in a sealed envelope to the American Embassy Tbilisi in time for the interview; if you are coming from Azerbaijan, the panel physician will provide your medical exam results in a sealed envelope for you to bring with you to your visa interview. Unsealed envelopes will not be accepted. Please call the panel physician directly to schedule an appointment and refer all questions about medical appointments and the examination to the clinics directly. **Please note that the cost of vaccinations is not included in the cost of medical examination.***
